

Speech-Language Pathology Graduate Program Prerequisite Worksheet

All applicants to the master's program who did not complete an undergraduate degree in CSD or SLP must have completed all prerequisite courses before starting the master's program.

Name: _____

Instructions: This worksheet is to be completed and submitted with your application for the master's program. Your application is considered incomplete until this form is received.

Prerequisite Listing: List all courses taken or currently in progress to fulfill the prerequisite courses listed below. Please include the institution name, course number, course name, number of credits, grade earned, and semester taken/expected for each prerequisite course. The Admission Committee may ask for supplemental material (e.g., course description and/or syllabus) to verify that courses have met the standards for the prerequisite course. If you have additional speech pathology coursework, please list the courses at the bottom of the table below.
