

## APPENDIX 6: Sample work orders with Evince Development

2. Development of Change Request		
Compass Dashboard Text Changes. We are not charging for this point. Details required from Clymb for all text changes.	23-Aug-2022	0
Compass Dashboard Show Based On Grades	23-Aug-2022	104
"Send Permission Slip for students who created account on their own. We will add 4th option in menu which opens from 3 dots button as you mentioned over WhatsApp voice note. On clicking 4th option, we will have show a pop-up to instructor to enter parent's email and phone number. The same operation for email and SMS will be followed on Submit event similar to what we confirmed for import operation."	23-Aug-2022	46
Deployment	23-Aug-2022	8
	Development Hours	454
	QA and Project Management	146
	<b>Total Hours</b>	<b>600</b>

2. Development of Change Request		
Task Details	Revised End Date	Hours
Add parent email and phone number in import sheet and store in database - Only 1 email and 1 phone number can be added per student	23-Aug-2022	16
Twilio SMS integration and business logic for OTP verification	23-Aug-2022	50
Send Email and SMS to parents for student account verification	23-Aug-2022	16
Private/Public Post with text - We will require a list of where the icon is to be placed and what text should be shown on hover. The reference tooltip UI for hover has been shared over WhatsApp and approved by Clymb team.	23-Aug-2022	18
Email reminders to parents who haven't verified their child's account. We are fine with this change. We will send email reminders daily for the said operation. We are good to do any fine tuning regarding the email reminder frequency.	23-Aug-2022	24
Multiple instructors	23-Aug-2022	172
