

REQUIRED: STUDENT HEALTH PROFILE

The Student Health Profile is required for **all undergraduate, graduate, and transfer students** entering Loyola University. There are several parts to the profile that must be completed to be compliant with this requirement.

DEADLINE: JULY 1ST FOR FALL ENTRANCE | JANUARY 3RD FOR SPRING ENTRANCE

The Student Health Profile is to be completed online by visiting:

www.loyola.edu/patientportal

Please note: We recommend using Google Chrome to complete the profile.

You will not be able to complete this profile until you are issued your Loyola University username and password
If you have problems logging in, contact Tech Services at 410-617-5555.

Log in using your Loyola University-issued username and password and complete each section of the Student Health Profile by following the steps listed below.

1. Under the FORMS tab:

- a. Student Health History
- b. Consent for Treatment

2. Under the UPLOAD tab: *→

- a. Upload Immunization records/lab results for titers
- b. Upload photo of Insurance card (front & back)

3. Under the IMMUNIZATIONS tab:

- a. Use the drop-down menus to enter the dates when you received the vaccines required by the university (*See page 2 for a list of required vaccinations*).

**Make sure you have uploaded a copy of your official immunization records from your doctor or titer bloodwork results through the "Upload" tab – Our staff cannot verify your vaccines without this step.*

4. Under the INSURANCE tab: *Required for full-time students only*

- a. Go to <https://rcmdstudentbenefits.com/loyolauniversitymd/> to enroll or waive coverage in the Student Health Insurance Plan.

***MAKE SURE
YOUR NAME AND DATE OF
BIRTH ARE PRESENT
AND LEGIBLE ON ALL
SUPPORTING
DOCUMENTATION!**

ATTN GRADUATE STUDENTS:

- The health profile is required for ALL graduate students regardless of full-time or part-time status. Students in programs with classes that are **STRICTLY ONLINE** must complete the *Student Health History* form but are not required to comply with immunization requirements.
- Students who have already completed these requirements as a Loyola undergraduate student do not need to submit another health profile but should ensure all vaccinations are up to date.

PLEASE NOTE:

- These health requirements are SEPARATE from any requirements for other programs such as Athletics or Sports Medicine. The information submitted is NOT shared between departments.
- Students with documented disabilities should register with Disability & Accessibility Services at (410) 617-2750 to ensure their specific academic, residential, and/or dining needs will be addressed during their time at Loyola. For more information and/or registration, please access their website at www.loyola.edu/das.
- Student Health Services will not contact you after you submit all the above information unless there is an issue, or you are missing a piece of your Student Health Profile. Please make sure to check your Loyola email for any official correspondence. If you would like to check the status of your profile, please see the instructions on page 2.
