**In Today's World,
Technology is Required
to Survive and Thrive.**

**GOAL:
Digital &
Physical
Safety
Treated
Equally**

**BUT WHAT IF
I'M NOT TECH-
SAVVY???**

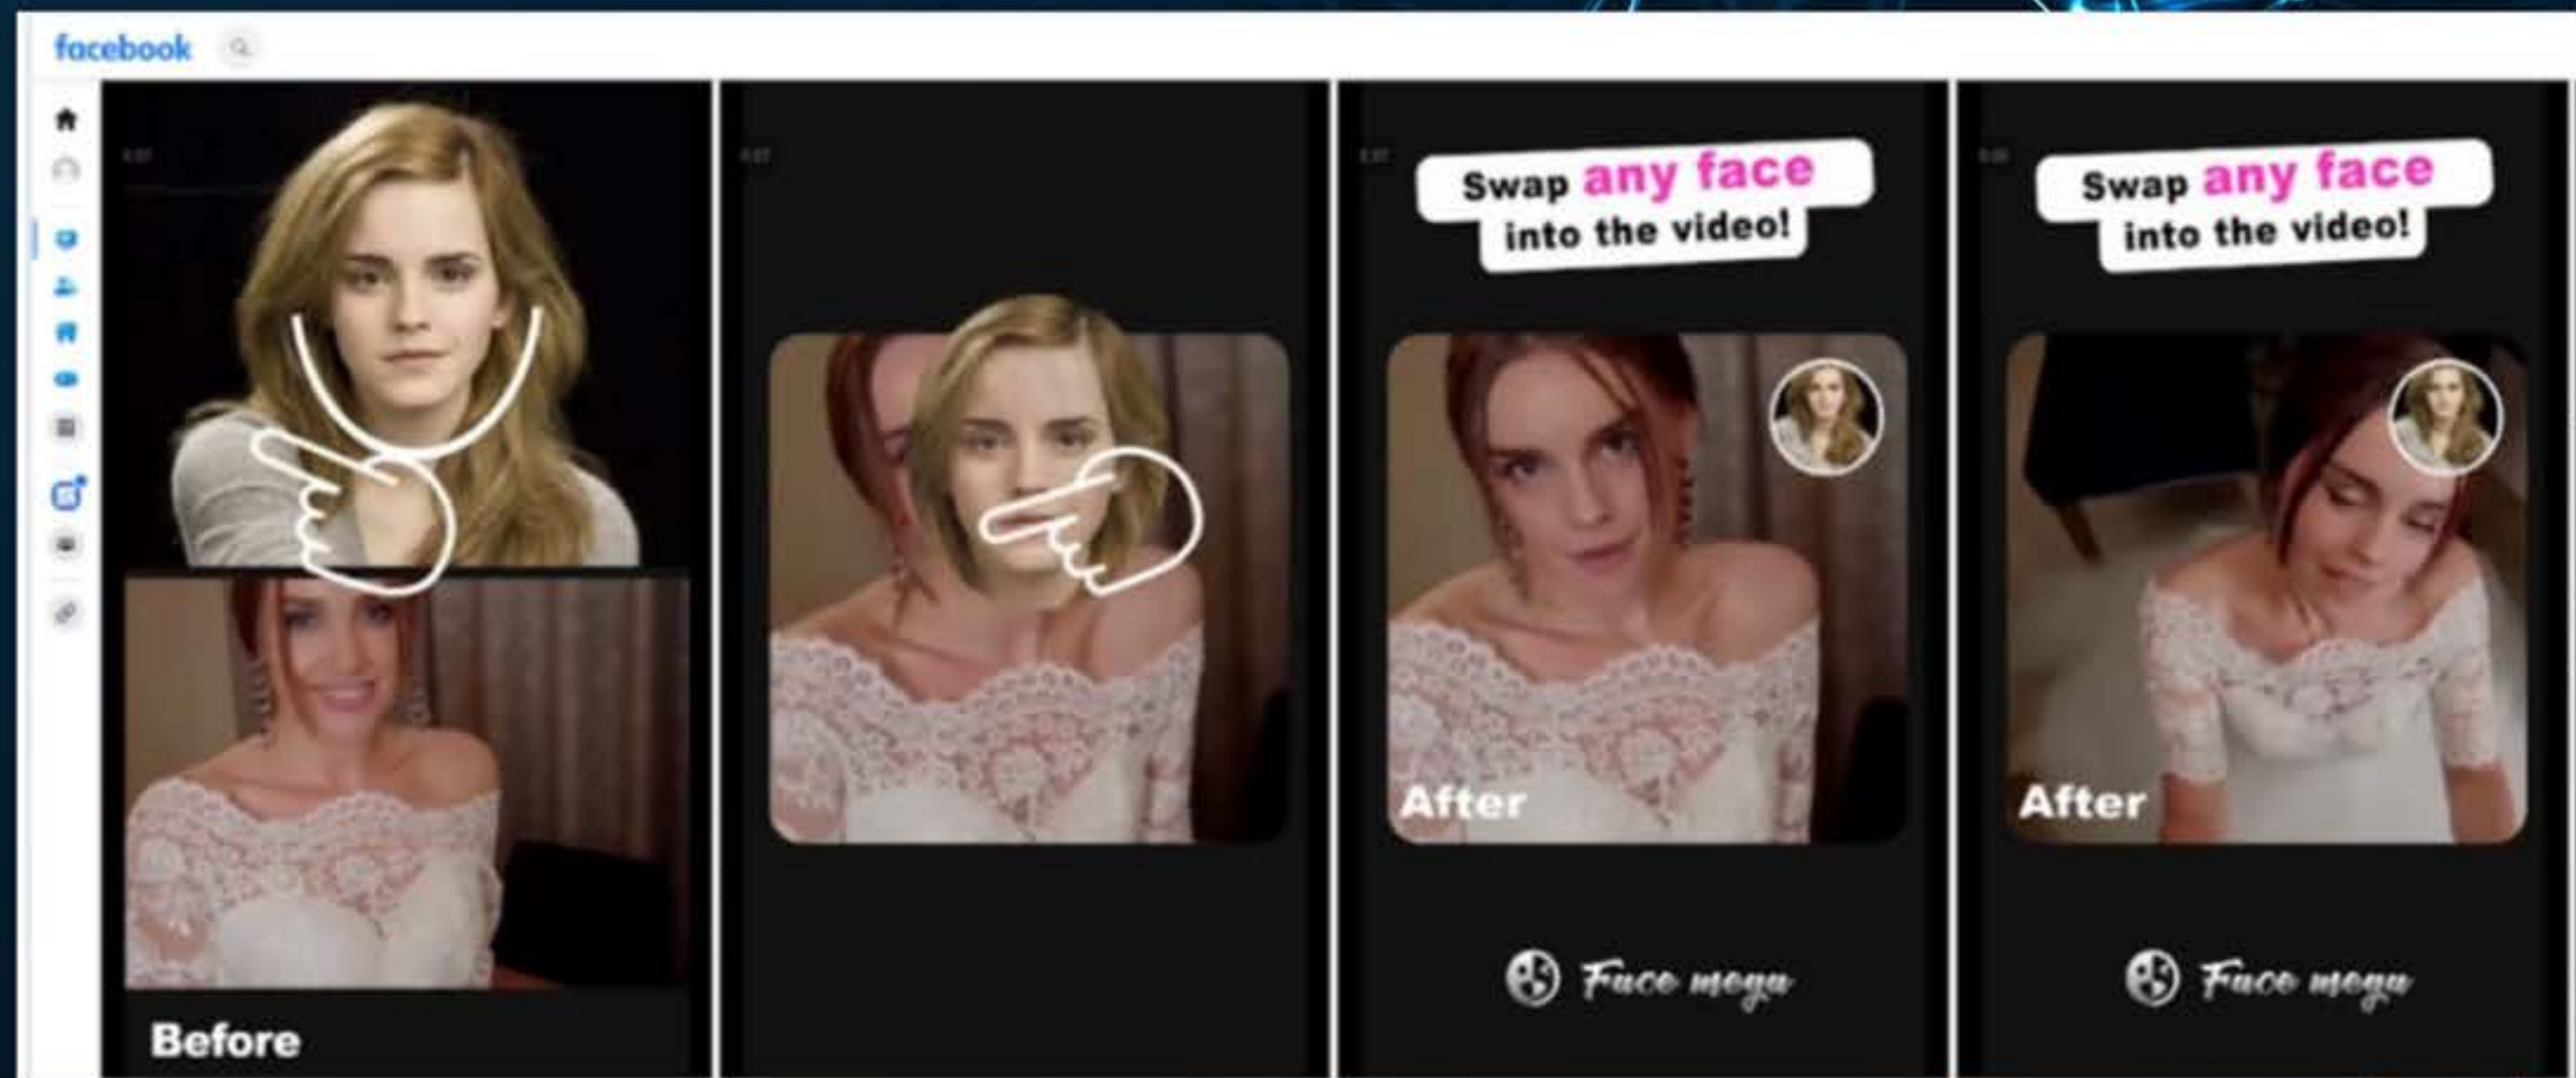

1. Personal Connection.

A young woman with brown hair is lying in bed, looking at her smartphone. She is wearing a light-colored, patterned top. In the background, a man with dark hair is sleeping peacefully, wearing a red shirt. The bed has white pillows and a white blanket. The scene is dimly lit, suggesting it is nighttime.

2. No Hacking Skills Required, Just Opportunity.

3. No Technical Skills Required in the age of AI.

A man and a woman are shown from the chest up, looking at a smartphone held by the man. The woman is on the left, wearing a white top with a small black dot pattern, and has her arm around the man's shoulder. The man is on the right, wearing a light-colored button-down shirt. They are both smiling and looking at the phone. The background is a blurred outdoor setting with greenery and a building in the distance.

**4. Has or had
the victim's trust.**

(Access to passwords,
devices, personal
info, etc.)

A person wearing a dark hoodie is seen from behind, sitting at a desk in a dimly lit room. In front of them is a computer monitor displaying lines of code, with some text highlighted in red. The overall atmosphere is dark and technical, suggesting a hacker or programmer at work.

**Attacks appear
sophisticated &
technical.**

They're not.

RIDESHARE APPS

A young man with dark hair, wearing a white t-shirt, is sitting in the back seat of a car. He is looking down at a smartphone in his hands, appearing to be using an app. The car's interior is visible, including the headrests and the front seats. Through the rear window, a city street with buildings and trees is visible. The text 'RIDESHARE APPS' is overlaid in white, bold, sans-serif font on a black rectangular background across the middle of the image.

A food delivery driver with a beard and a blue helmet is handing a brown paper bag to a customer. The driver is wearing a blue button-down shirt and has a smartphone mounted on his left arm displaying a map. The customer is wearing a blue and white striped shirt. The background shows a street with a white car and a trash bin.

FOOD DELIVERY APPS

A close-up photograph of a person's hands holding a smartphone. The phone's screen displays a map application with a blue location pin and a red-to-orange route line. The background is blurred, showing a car's steering wheel and a person's face. A black banner with white text is overlaid on the center of the image.

The image is a promotional banner for the 'Face mega' app, displayed on a Facebook interface. It is divided into five vertical panels. The first panel shows a 'Before' state with two images: a woman's face with white selection lines and a video frame of a woman in a white lace top. The second panel shows the same video frame with a hand-drawn white selection line around the woman's face. The third and fourth panels, both labeled 'After', show the result of a face swap: the woman's face in the video is replaced by the woman's face from the first panel. Each 'After' panel includes a small circular inset of the original face and the 'Face mega' logo at the bottom. The fifth panel is a dark blue background featuring the 'Face mega' logo (a purple square with a white face icon), the text 'Face mega', a 'Download Now' button, and logos for the App Store and Google Play.

The image is a promotional banner for the 'Face mega' app, displayed on a Facebook interface. It is divided into five vertical panels. The first panel shows a 'Before' state with two images: the top one features a woman's face with white hand-drawn outlines, and the bottom one shows a woman in a white lace dress. The second panel shows the same woman in the dress with a white hand-drawn outline of a hand pointing to her face. The third and fourth panels, both labeled 'After', show the woman in the dress with the face from the first panel swapped onto her. Each 'After' panel includes a small circular inset of the original face and the 'Face mega' logo at the bottom. The fifth panel is a dark purple background featuring the 'Face mega' logo (a purple square with a white face icon), the text 'Face mega', a 'Download Now' button, and logos for the App Store and Google Play.
